## SUMMARY

Photographer and producer with 10 years of experience in the live events industry. I've developed innovative photo and video activations for leading brands, including HBO, Converse, Mercedes-Benz, Dos EXX, Levi's, Perrier and the NFL. I've produced jobs around the country and abroad at events such as Coachella, SXSW and the Super Bowl.

## WORK EXPERIENCE

### PHOTOGRAPHER

Kevin Brady Photography LLC | 2010 — Present

Multifaceted photographer with experience in travel, lifestyle, real estate and product photography. Clients include Simon Malls, P.volve, Tesla and Moët.

- Photographed large-scale projects for Simon Malls, including 25 properties across the country. Managed all logistics, production, editing and retouching.
- Experienced with product photography (still life, in situ, silo) and corporate headshots.
- Photographed and designed the book *Doubles*, documenting the artist Maximilian Schubert. Published by Hassla Books in 2020.
- Volunteered for Photographers Without Borders to document the work of JUSTA, a non-profit in Guatemala.

### DIRECTOR OF OPERATIONS

StudioBooth | 2010 — 2020

StudioBooth creates photo and video activations that focus on brand integration, social media outreach and interactivity.

- Developed new techniques for creating dynamic content including camera arrays, cinemagraphs, GIFs and videos (360, slow motion, steadicam & multi-cam).
- Designed artwork, animations and video edits using Adobe Creative Suite.
- Worked closely with clients from concept to execution and was the onsite lead during events.
- Responsible for all technical aspects of the activations including software, networking and equipment. Maintained and configured all computer, camera, video and lighting gear.
- Managed day-to-day operations of the NYC studio while overseeing jobs across the country.
- Managed NYC and LA studio managers as well as a team of 10 freelancers.

### PHOTOGRAPHER & WEB DESIGNER

American Design LTD | 2005 — 2010

American Design owns and operates art galleries across the Southwest.

- Responsible for photographing all artwork within the company.
- Developed and maintained websites for nine locations and was accountable for updating them daily.
- Designed print advertisements, invitations and gallery materials
- Assisted with special projects including an artists' monograph and museum
